

Pennal Community Council Mandate for the Community Ownership Fund Application

Following the Open Community meeting in the Ganolfan on the 17th of November it was agreed that Pennal CC had the mandate to pursue this project until the time of submission of the application . As a result an author group was elected due to the skills and knowledge required , this was not absolute on the evening as it was uncharted waters for all concerned and additional skills and knowledge would be sourced as project development dictated. In addition to ensure inclusivity the overall process would be managed by Pennal CC until application submission . Due to the complexity of such an application Pennal CC reserved the right to invite people on to their management committee as seen right due to knowledge and or skills identified. The first meeting was due to be held on Thursday 1 December 4:30pm @Glan y Afon.
